## Echo Song

### Overview

Students will sing a song about the Bering Sea ocean ecosystem.

### Objective

To sing a fun science-themed song!

### Preparation

- Teach students about the Bering Sea ecosystem or have them review journal entries from Maggie Prevenas' PolarTREC expedition (see Resources section for address).
- Hand out song sheet or project words onto a screen

### Description

Lead students in the singing of the Echo Song (attached)

### Resources

Read more about Maggie Prevenas' expedition at:  
(<http://www.polartrec.com/bering-ecosystem-study>)

### Credits

Maggie Prevenas, [prevenas@hawaiiintel.net](mailto:prevenas@hawaiiintel.net)

## Materials

- Paper copies of the 'Echo Song' (attached) or a means to project the lyrics on a screen

## Echo song

The littlest things  
(The littlest things)  
You ever saw  
(You ever saw)  
Make energy  
(Make energy)  
For birds and cod  
(For birds and cod)  
The littlest things you ever saw  
Make energy for birds and cod

Sun hits the ice  
(Sun hits the ice)  
Algae takes light  
(Algae takes light)  
And 'C' "OH" Two  
(And 'C' "OH" Two)  
with water spliced  
with water spliced  
Sun hits the ice al gee takes light  
And 'C' "Oh" Two with water spliced

The chlorophyll  
(The chlorophyll)  
it happens there  
(it happens there)  
Add nutrients  
(Add nutrients)  
from who knows where  
(from who knows where.)  
The chlorophyll it happens there  
Add nutrients from who knows where.

The food that's made  
(The food that's made)  
Within that cell  
(within that cell)  
Feeds all the life  
(Feeds all the life)

In the icy swells  
(in the icy swells)  
The food that's made within that cell  
Feeds all the life in icy swells

Algae gets ate  
(Algae gets ate)  
By plankton z oh  
(By plankton z oh)  
The energy  
(The energy)  
Not far to go  
(Not far to go)  
Algae gets ate by plankton z oh  
The energy not far to go

And when you see  
(And when you see)  
The limu green  
(the limu green)  
It's them you thank  
(It's them you thank)  
For oxygeen  
(for oxygeen)  
And when you see the limu green  
It's them you thank for oxygeen

So please take care  
(So please take care)  
of oceans blue  
(of oceans blue)  
The water holds  
(The water holds)  
Life breath and food  
(Life breath and food)  
So please take care of oceans blue  
The water holds life breath and food!
