

Science Teacher, Ms. Miller, Travels to the South Pole for Research

Posted on November 28, 2016 at 10:48 am.

W-L Physics teacher, Kate Miller, is gearing up for an expedition to the South Pole as part of the PolarTREC program! While there, she'll serve as a teacher-researcher on project IceCube, a giant detector that looks for tiny particles (called neutrinos) from outer space.

Follow her blog for updates on the adventure: <https://www.polartrec.com/expeditions/ice-cube-neutrino-observatory-2016>
